Course Information—

Do you have a creative idea you have always wanted to market? Does the idea of owning and managing your own business excite you? This course will introduce participants to the basic steps necessary for beginning and sustaining a successful business. Participants will create their own business plans and will meet weekly with regional and local small business owners and professionals. Topics will include, but are not limited to, business plan development, human resources, marketing, financial support, and sustainability. Come to hear best practices from those who have succeeded in starting and running their own businesses. Learn about the resources available to entrepreneurs. In order to receive credit for the course, participants will be expected to create their own business plan. Course begins February 5 with Greg Huffman from Zoe Cleaning.

Pooh Bears for Molly...

February is Pooh Bears for Molly month! Pooh Bears For Molly began as a memorial to Molly Kathleen Gibson, a Franklin High School student who was comforted by her Pooh Bear when she stayed at Johnson Memorial Hospital. The program continues after 15 years, a testament to the generosity of our community. Please join the Johnson Memorial Hospital Foundation in contributing to the Pooh Bears for Molly Campaign. Your donation helps provide a Pooh Bear to all children and adolescents who require a hospital stay at Johnson Memorial Hospital and to each newborn in celebration of birth.

Donations can be made online at www.johnsonmemorialfoundation.org or mailed to the Johnson Memorial Hospital Foundation at 1125 West Jefferson Street, Suite V, Franklin, IN 46131. For more information, please contact the Foundation at 317-736-2657.
